Dear Ms. Jimenez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 621222.

The Nueces County Purchasing Department (the "county") received a request for information related to a specified contract the county has with a specified entity. You state you released some information. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. You also state release of the submitted information may implicate the proprietary interests of Correct Care Solutions, LLC ("CCS"). Accordingly, you state, and provide documentation showing, you notified CCS of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted arguments and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). The county represents the submitted

information pertains to a competitive bidding situation. In addition, the county states release of the submitted information could affect the county's "future ability to obtain the best offer and enter into a contract with the most favorable terms possible." After review of the information at issue and consideration of the arguments, we find the county has established the release of the submitted information would give advantage to a competitor or bidder. Thus, we conclude the county may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
