Ms. Molly Cost  
Assistant General Counsel  
Texas Department of Public Safety  
P.O. Box 4087

OR2016-17299

Dear Ms. Cost:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 624367 (PIR No. 16-3481).

The Texas Department of Public Safety (the "department") received a request for certain documents mentioned in a specific report. The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. The department has also submitted arguments from the Office of the District Attorney for the Fourth Judicial District (the "district attorney's office"), and we have received comments from the El Paso County Sheriff's Office (the "sheriff's office"). *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released). We have considered the submitted arguments and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

The district attorney's office and the sheriff's office state the submitted information is related to a criminal investigation that is pending with the district attorney's office and sheriff's

office, respectively. The district attorney's office and sheriff's office assert release of the submitted information would interfere with their investigations. Based on these representations, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>
