ATTORNEY GENERAL OF TEXAS

August 9, 2016

Ms. A. Feliz Abalos
Senior Assistant City Attorney
City of Odessa
P.O. Box 4398
Odessa, Texas 79760

OR2016-17898

Dear Ms. Abalos:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 622065 (City Case# 16-10341).

The Odessa Police Department (the "department") received a request for all reports, scene photos, witness statements, and M.E. reports regarding a named individual. You state you have no information responsive to a portion of the request.¹ Further, you state the department has released some information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.1085 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

You assert the submitted information is excepted under section 552.108 of the Government Code, which provides the following:

- (a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

(1) release of the information would interfere with the detection, investigation, or prosecution of crime;

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication;

(3) it is information relating to a threat against a peace officer or detention officer collected or disseminated under Section 411.048; or

(4) it is information that:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution;

(2) the internal record or notation relates to law enforcement only in relation to an investigation that did not result in conviction or deferred adjudication; or

(3) the internal record or notation:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)-(b). A governmental body raising section 552.108 must explain the applicability of section 552.108. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to “an investigation into the . . . death” of the named individual conducted by the department. You further state “no arrests have been

made” at this time. A governmental body claiming subsection 552.108(a)(1) or subsection 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.108(a)(1), (b)(1); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You do not inform us the information at issue pertains to a specific ongoing criminal investigation or prosecution, nor have you explained how its release would interfere in some way with the detection, investigation, or prosecution of crime. Thus, you have failed to demonstrate the applicability of subsection 552.108(a)(1) or subsection 552.108(b)(1). A governmental body claiming subsection 552.108(a)(2) or subsection 552.108(b)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See Gov’t Code* § 552.108(a)(2), (b)(2). You have not explained the information at issue pertains to any specific investigation that concluded in a final result other than a conviction or deferred adjudication. Thus, you have failed to demonstrate the applicability of either subsection 552.108(a)(2) or subsection 552.108(b)(2). Subsection 552.108(a)(3) is also inapplicable as the information at issue does not relate to a threat against a police officer. *See id.* § 552.108(a)(3). Lastly, you do not assert the information at issue was prepared by an attorney representing the state or reflects the mental impressions or legal reasoning of an attorney representing the state. *See id.* § 552.108(a)(4), (b)(3). Thus, you have failed to demonstrate the applicability of subsection 552.108(a)(4) or subsection 552.108(b)(3). Therefore, the department may not withhold any of the submitted information under section 552.108.

You seek to withhold the submitted information pursuant to section 552.1085 of the Government Code. Section 552.1085 provides, in pertinent part:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

Gov’t Code § 552.1085(c). For purposes of section 552.1085, “sensitive crime scene image” means “a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person’s genitalia.” *See id.* § 552.1085(a)(6). Upon review, we find none of the submitted photographs consist of sensitive crime scene images for the purposes of section 552.1085. Accordingly, the department may not withhold the submitted photographs under section 552.1085(c) of the Government Code. As you raise no other exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
