ATTORNEY GENERAL OF TEXAS

August 10, 2016

Ms. Micheale Lane  
Clerk  
Northlake Municipal Court  
1400 FM 407  
Northlake, Texas 76247

OR2016-18077

Dear Ms. Lane:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 622345.

The Town of Northlake Municipal Court (the "court") received a request for a specified conviction report over a specified time period. You claim the submitted information is excepted from disclosure under sections 552.101, 552.130, 552.137, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

We note the Act is applicable to information "collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business by a governmental body." Gov't Code § 552.002(a)(1). However, the Act's definition of "governmental body" "does not include the judiciary." *Id.* § 552.003(1)(B). Information "collected, assembled, or maintained by or for the judiciary" is not subject to the Act but instead is "governed by rules adopted by the Supreme Court of Texas or by other applicable laws and rules." *Id.* § 552.0035(a); *cf.* Open Records Decision No. 131 (1976) (applying statutory predecessor to judiciary exclusion under Gov't Code § 552.003(1)(B) prior to enactment of Gov't Code § 552.0035). The instant request is for information assembled and maintained by the court. Therefore, we conclude the requested information is not subject to the Act and need not be

released in response to this request for information.<sup>1</sup> As we are able to make this determination, we do not address your exceptions to disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
