Ms. Lola Dada-Olley
Assistant City Attorney
City of Plano
P.O. Box 860358

OR2016-18825

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 623768 (Plano File No. 16-020).

The City of Plano (the "city") received a request for proof of specified fees paid to the city by Verizon Southwest, Inc. You claim the submitted information is excepted from disclosure under section 552.110 of the Government Code. Further, you claim the release of the submitted information may implicate the proprietary interests of Frontier Communications ("Frontier"). Accordingly, you state, and provide documentation showing, you notified Frontier of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the claimed exception and reviewed the submitted representative sample of information.¹

You assert the submitted information is excepted from disclosure under section 552.110 of the Government Code. However, section 552.110 protects only the interests of the third parties that have provided information to a governmental body, not those of the governmental body itself. *See* Gov't Code § 552.110 (excepts from disclosure trade secrets or commercial or financial information obtained from person). Therefore, we do not address your argument under section 552.110.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See id.* § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Frontier explaining why the submitted information should not be released. Therefore, we have no basis to conclude Frontier has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish prima facie case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interests Frontier may have in the information. As no further exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
