ATTORNEY GENERAL OF TEXAS

Mr. Daniel W. Ray
Counsel for the County of Hunt
Scott, Ray & Sullivan, PLLC
P.O. Box 1353

OR2016-18839

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 623168.

The Hunt County Sheriff's Office (the "sheriff's office"), which you represent, received a request for a specified incident report and all associated audio, video, and photographs. You state the sheriff's office has released basic offense information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the information we have marked is not responsive to the instant request for information because it is unrelated to the specific incident requested. This ruling does not address the public availability of non-responsive information, and the sheriff's office is not required to release non-responsive information in response to this request.

Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108. Generally, a governmental body claiming section 552.108 must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the requested information relates to a pending criminal

investigation. Based upon this representation, we conclude that the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, as you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of the basic front page offense and arrest information, the sheriff's office may withhold the submitted responsive information from disclosure based on section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
