OR2016-19382

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 624497.

The Nueces County Medical Examiner's Office (the "medical examiner's office") received a request for all records related to an incident involving a named individual on a specified date. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See* Occ. Code §§ 151.001-168.202. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

*Id.* § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Upon review, we find Exhibit B constitutes a record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by someone under the supervision of a physician. Accordingly, the medical examiner's office must withhold Exhibit B under section 552.101 of the Government Code in conjunction with the MPA.

Section 552.101 also encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), emergency medical service ("EMS") records are deemed confidential under section 773.091. *See id.* § 773.091. Upon review, we find Exhibit C consists of EMS records subject to chapter 773. Thus, with the exception of the information subject to section 773.091(g), which is not confidential under section 773.091, the medical examiner's office must withhold Exhibit C under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

In summary, the medical examiner's office must withhold Exhibit B under section 552.101 of the Government Code in conjunction with the MPA. Except for the information subject to section 773.091(g) of the Health and Safety Code, which must be released, the medical examiner's office must withhold Exhibit C under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.
