ATTORNEY GENERAL OF TEXAS

Ms. Elizabeth Conry Davidson  
Counsel for the Bexar Appraisal District  
926 Chulie Drive  
San Antonio, Texas 78216

OR2016-19548

Dear Ms. Davidson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 624376.

The Bexar Appraisal District (the "district") received a request for a specified grid and a specified comparison pertaining to a certain address. You state you have released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.149 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.149 of the Government Code provides, in relevant part:

(a) Information relating to real property sales prices, descriptions, characteristics, and other related information received from a private entity by the comptroller or the chief appraiser of an appraisal district under Chapter 6, Tax Code, is excepted from the requirements of [the Act].

(b) Notwithstanding Subsection (a), the property owner or the owner's agent may, on request, obtain from the chief appraiser of the applicable appraisal district a copy of each item of information described by Section 41.461(a)(2), Tax Code, and a copy of each item of information that the chief appraiser took into consideration but does not plan to introduce at the hearing on the protest. In addition, the property owner or agent may, on request, obtain from the chief appraiser comparable sales data from a reasonable number of

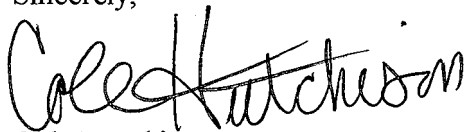

sales that is relevant to any matter to be determined by the appraisal review board at the hearing on the property owner's protest[.]

Gov't Code § 552.149(a)-(b). Subsections 552.149(a) and (b) are limited to those counties having a population of 50,000 or more. *Id.* § 552.149(e). We understand Bexar County has a population of 50,000 or more. You state the information at issue consists of information related to real property sales, descriptions, and characteristics and it was obtained from a private entity. However, pursuant to section 552.149(b), a property owner or the owner's designated agent has a right of access to certain information that is confidential under section 552.149(a). You state the requestor is the owner of the property at issue. You inform us there is no pending or upcoming protest hearing. Thus, you state the requestor does not have a right of access to any of the information under section 552.149(b). Based on your representations and our review, we find the district must withhold the submitted information under section 552.149(a) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
