ATTORNEY GENERAL OF TEXAS

September 13, 2016

Ms. Leslie O. Haby
Assistant Criminal District Attorney
Civil Section
Bexar County District Attorney's Office
101 West Nueva Street, Seventh Floor
San Antonio, Texas 78205

OR2016-20582

Dear Ms. Haby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631927.

The Bexar County Medical Examiner's Office (the "medical examiner's office") received a request for specified autopsy. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the medical examiner's office's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Further, pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The medical examiner's

office received the request for information on July 28, 2016. Accordingly, you were required to request a decision from this office by August 11, 2016, and to provide the information required by section 552.301(e) by August 18, 2016. However, the envelope in which the medical examiner's office provided the information required by sections 552.301(b) and 552.301(e) was postmarked August 22, 2016. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the medical examiner's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision Nos. 319 (1982), 586 (1991), 630 (1994). This office has held a compelling reason exists to withhold information when third-party interests are at stake or when information is made confidential by another source of law. *See* Open Records Decision No. 150 (1977) (construing predecessor statute). We note section 552.108 of the Government Code is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). However, the need of a governmental body other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. *See* ORD 586 at 3. Because you inform us, and provide documentation showing, the San Antonio Police Department (the "department") objects to the release of the information at issue, we will consider whether the medical examiner's office may withhold the submitted information under section 552.108 on behalf of the department.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law

enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the submitted information is related to a criminal investigation that is pending with the department. You state the department objects to disclosure of the information at issue because its release would interfere with the investigation. Based on your representation, we conclude the medical examiner's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the department. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).
