

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 15, 2016

Chief Kenny Seymour
Chief of Police
Fulshear Police Department
P.O. Box 279
Fulshear, Texas 77441

OR2016-20847

Dear Chief Seymour:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 626474.

The Fulshear Police Department (the "department") received a request for information pertaining to any officer involved in a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, as you acknowledge, the requestor seeks information created through the date of the request, but if the department is unable to disclose the requested information, she asks the department to fulfill the request after the date of the request. It is implicit in several provisions of the Act that the Act applies only to information already in existence. *See* Gov't Code §§ 552.002, .021, .227, .351. The Act does not require a governmental body to prepare new information in response to a request. *See* Attorney General Opinion H-90 (1973); *see also* Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 452 at 2-3 (1986), 87 (1975). Consequently, a governmental body is not required to comply with a standing request to supply information prepared in the future. *See* Attorney General Opinion JM-48 at 2 (1983); *see also* Open Records Decision Nos. 476 at 1 (1987), 465 at 1 (1987). Thus, the only information encompassed by the present request consists of information the department maintained or had a right of access to as of the date it received the request.

Next, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number.¹ Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the responsive information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note section 552.108 is generally

¹The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. *See* Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

not applicable to internal personnel records that are purely administrative in nature and that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002. no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you state the remaining information relates to a pending criminal investigation. Furthermore, we understand the officer whose personnel records are at issue was involved in the incident that forms the basis of the pending investigation. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.²

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.
