Staff Attorney
Houston Police Department

OR2016-21439

Dear Ms. Lewis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635006 (Houston OR # 16-6959).

The Houston Police Department (the "department") received a request for nine categories of information pertaining to a specified accident. You state the department will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of

Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the department must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the department to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (0)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. The department must release the redacted accident report to the requestor pursuant to section 550.065(c-1).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to an open criminal investigation. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, we agree section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, 531 S.W.2d at 186–87. *See Open Records Decision No. 127 at 3-4 (1976)* (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code. With the exception of basic information,

the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
