Assistant City Attorney

OR2016-22156

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 634209 (ORR# 2016-16097).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 1703.306 of the Occupations Code, which provides the following:

¹We note the department did not comply with section 552.301 of the Government Code in requesting this decision. See Gov't Code § 552.301(b), (e). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider the applicability of this section to the submitted information. See *id.* §§ 552.007, .302, .352.

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

(c) A polygraph examiner to whom information acquired from a polygraph examination is disclosed under Subsection (a)(4) may not disclose the information except as provided by this section.

Occ. Code § 1703.306. The submitted information consists of polygraph information that is confidential under section 1703.306, and the requestor does not appear to have a right of access to the information under that section. Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
