

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

October 3, 2016

Lieutenant Joe Wisner  
Waxahachie Police Department  
216 North College Street  
Waxahachie, Texas 75165

OR2016-22180

Dear Lieutenant Wisner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 628753.

The Waxahachie Police Department (the "department") received a request for all records related to the death of a named individual. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.1085 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to a closed case and you indicate the case did not result in conviction or deferred adjudication. Based on your

representation and our review, we agree section 552.108(a)(2) is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the department may withhold the submitted information under section 552.108(a)(2) of the Government Code.

We understand you to raise section 552.1085 of the Government Code for the basic information. Section 552.1085 of the Government Code, provides, in pertinent part:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

Gov't Code § 552.1085(c). For purposes of section 552.1085, “sensitive crime scene image” means “a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person’s genitalia.” *See id.* § 552.1085(a)(6). Upon review, we find the basic information does not consist of a sensitive crime scene image for the purposes of section 552.1085. Thus, the department may not withhold any portion of the basic information under section 552.1085 of the Government Code.

In summary, with the exception of the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
