Mr. David T. Ritter  
Counsel for the City of McKinney  
Brown & Hofmeister, L.L.P.  
740 East Campbell Road, Suite 800  
Richardson, Texas 75081

OR2016-22529

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635424 (Ciry ID# G1597).

The City of McKinney (the "city"), which you represent, received a request for specified draft bylaws created by the city. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, we determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and

other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152, 157 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But, if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, section 552.111 protects the factual information. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded section 552.111 exempts from disclosure a preliminary draft of a document intended for public release in its final form because the draft necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents of a preliminary draft of a policymaking document, including comments, underlining, deletions, and proofreading marks, that will be released to the public in its final form. *See id.* at 2.

You state the submitted information consists of advice, opinions, and recommendations relating to the city's policymaking. You also state the information at issue consists of a draft document, which you state will be released in its final form. Based on your representations and our review, we find the city may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
