

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 13, 2016

Mr. Brandon S. Shelby
City Attorney
City of Sherman
P.O. Box 1106
Sherman, Texas 75091

OR2016-23044

Dear Mr. Shelby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 630220 (ORR ID# 2467; SPD# 130).

The Sherman Police Department (the "department") received a request for the audio recording pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information protected by the common-law informer's privilege, which has long been recognized by Texas courts. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969); *Hawthorne v. State*, 10 S.W.2d 724, 725 (Tex. Crim. App. 1928). The privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law enforcement authority, provided the subject of the information does not already know the informer's identity. Open Records Decision Nos. 515 at 3 (1988), 208 at 1-2 (1978). The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." Open Records Decision No. 279 at 2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common Law* § 2374, at 767 (J. McNaughton rev. ed. 1961)). The report must be of a violation of a

criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5. The privilege excepts the informer's statement only to the extent necessary to protect that informer's identity. Open Records Decision No. 549 at 5 (1990).

You represent portions of the submitted information identify a complainant who reported a possible violation of criminal law to the department. We understand the department has criminal law-enforcement authority over the matters at issue and there is no indication the subject of the complaint is aware of the identity of the complainant. Further, we note in some circumstances, where an oral statement is captured on tape and the voice of the informant is recognizable, it may be necessary to withhold the entire audio statement to protect the informant's identity. Open Records Decision No. 434 at 2 (1986). Based on your representations and our review, we conclude the department may withhold the submitted audio recording in its entirety under section 552.101 of the Government Code in conjunction with the common-law informer's privilege.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
