ATTORNEY GENERAL OF TEXAS

Ms. Leslie O. Haby
Assistant Criminal District Attorney
Civil Section
Bexar County
101 West Nueva, Seventh Floor
San Antonio, Texas 78205

OR2016-23390

Dear Ms. Haby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631267 (BCDA File No. 5299).

The Bexar County District Attorney's Office (the "district attorney's office") received a request for information pertaining to two specified cause numbers involving a named individual. You claim the submitted information is excepted from disclosure under sections 552.101 through 552.156 of the Government Code. We have considered the exceptions you claim.

Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). You inform us the district attorney's office received the request for information on August 2, 2016. However, as of the date of this letter, you have not submitted to this office written comments stating the reasons why the claimed exceptions apply or a copy or representative sample of the information requested. Accordingly, we

conclude the district attorney's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing the information is made confidential by another source of law or affects third party interests. *See* ORD 630. Because the district attorney's office has failed to comply with the procedural requirements of the Act, the district attorney's office has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Although the district attorney's office also raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure or confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Cristian Rosas-Grillet
