Ms. Ileana Fernandez
Assistant City Attorney
Office of the City Attorney
P.O. Box 850137
Mesquite, Texas 75185-0137

OR2016-23399

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631045.

The City of Mesquite (the "city") received four requests from different requestors for information pertaining to the city's solid waste and recycling collection contracts. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the proprietary interests of Community Waste Disposal, L.P.; Republic Services, Inc.; and Waste Management of Texas, Inc. Accordingly, you state, and provide documentation showing, you notified these interested third parties of the request and their right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from any of the interested third parties. Thus, we have no basis to conclude any of the interested third parties has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision

Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the submitted information on the basis of any proprietary interest any of the interested third parties may have in the information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ See Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); see *id.* § 552.136(a) (defining "access device"). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy numbers in the remaining information under section 552.136 of the Government Code.

We note some of the remaining information appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; see Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must withhold the insurance policy numbers in the remaining information under section 552.136 of the Government Code. The city must release the remaining information; however, any information subject to copyright may only be released in accordance with copyright law.

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
