Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631084.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for all records pertaining to a specified traffic accident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You state portions of the submitted information, including the submitted video recordings are excepted from disclosure under section 552.130. Further, you state you do not have the technological capability to redact the motor vehicle record information from the submitted video recordings. Upon review, we find the sheriff's office must withhold the submitted video recordings in their entirety and the motor vehicle record information you marked in the submitted documents under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
