

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 27, 2016

Mr. John Matthew Hall
Assistant County Attorney
Parker County
118 West Columbia Street
Weatherford, Texas 76086

OR2016-24000

Dear Mr. Hall:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635266.

The Parker County Sheriff's Department (the "sheriff's department") received a request for all recordings from a specified location in the Parker County Courthouse Annex on a specified date and during a specified time.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other

¹We note the sheriff's department sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

statutes, including section 418.182 of the Texas Homeland Security Act (the “HSA”), chapter 418 of the Government Code. Section 418.182 provides, in relevant part:

(a) [I]nformation . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

Id. § 418.182(a). The fact that information may be related to a security system does not make such information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting section 418.182 must adequately explain how the responsive records fall within the scope of the statute. *See* Gov’t Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You indicate the submitted video recordings reveal the location of a security surveillance camera and that the surveillance camera is part of the security system at the Parker County Courthouse Annex “that is used to protect the hallways, courtrooms of Parker County Court at Law No. 1 and Justice of the Peace Precinct Three, and various Parker County offices.” You indicate the release of the submitted information would reveal specifications of this security system. Upon review, we find the submitted surveillance video recordings relate to the location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep’t of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010. no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras’ capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Therefore, the sheriff’s department must withhold the submitted video recordings under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.
