Dear Ms. Nicholson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 632806 (Ref. No. 25877).

The City of Austin (the "city") received a request for specified information pertaining to mosquito traps. (b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (d), and (f).

Health & Safety Code § 81.046(a), (b). In Open Records Decision No. 577 (1990), this office concluded any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception set out in the statute applies. See ORD 577; Health & Safety Code § 81.046(b)-(d), (f). You state the submitted information was gathered or created by the city's Health and Human Services Department during an investigation under chapter 81 of the Health and Safety Code. Based on your representations and our review, we agree the submitted information is subject to section 81.046. The exceptions to confidentiality in subsections 81.046(d) and 81.046(f) are not applicable in this instance. Thus, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code.
