

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 7, 2016

Mr. John P. Beauchamp
General Counsel
Texas Commission on Law Enforcement
6330 East Highway 290, Suite 200
Austin, Texas 78723-1035

OR2016-24816

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 633470.

The Texas Commission on Law Enforcement (the "commission") received a request for information pertaining to a specified complaint involving the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.111 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1),

¹Although you also raise Texas Rule of Civil Procedure 192.5, we note the proper exception to raise when asserting the attorney work product privilege in this instance is section 552.111 of the Government Code. *See* Open Records Decision No. 677 (2002).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state, and provide documentation showing, the Harlingen Police Department (the "department") objects to release of the submitted information because release would interfere with the department's pending criminal investigation and prosecution by the Cameron County District Attorney's Office. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559, 560-61 (Tex. 1976). Thus, section 552.108(a)(1) is applicable, and the commission may withhold the submitted information from disclosure under section 552.108(a)(1) of the Government Code on behalf of the department.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Cole Hutchison
Assistant Attorney General
Open Records Division

³As our ruling is dispositive, we need not address the remaining arguments against disclosure.
