

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 7, 2016

Ms. Michelle L. Villarreal
Deputy City Attorney
City of League City
300 West Walker Street
League City, Texas 77573

OR2016-24819

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 633457 (City PIR# 6646).

The City of League City (the "city") received a request for audio and video recordings and statements made in relation to a specified case. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). In considering whether a public citizen's date of birth is private, the Third Court of Appeals looked to the supreme court's rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees' dates of birth are private under section 552.102 of the Government Code because the employees' privacy interest substantially outweighed the negligible public interest in disclosure.² *Texas Comptroller*, 354 S.W.3d at 347-48. Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens' dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at *3. Upon review, we find some of the submitted information satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Thus, the city must withhold the information we have indicated, along with all audible public citizens' dates of birth, in the submitted video recordings under section 552.101 of the Government Code in conjunction with common-law privacy. However, you have failed to demonstrate the remaining information is highly intimate or embarrassing and of no legitimate public interest. Thus, the city may not withhold the remaining information under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.³ Gov't Code § 552.130(a). Upon review, we find the city must withhold the visible license plates, along with all audible driver's license numbers and license plate numbers, in the submitted video recordings under section 552.130 of the Government Code.

In summary, the city must withhold: (1) the information we have indicated, along with all audible public citizens' dates of birth, in the submitted video recordings under section 552.101 of the Government Code in conjunction with common-law privacy; and (2) the visible license plates, along with all audible driver's license numbers and license plate numbers, in the

²Section 552.102(a) excepts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Gov't Code § 552.102(a).

³The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

submitted video recordings under section 552.130 of the Government Code. The city must release the remaining information.
