Dear Ms. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 639973 (El Paso Ref. No. 16-1006-709).

The City of El Paso (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 773.091 of the Health and Safety Code, which provides in relevant part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), Emergency Medical Service (“EMS”) records are deemed confidential under section 773.091 and may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. Upon review, we agree the submitted information consists of EMS records subject to chapter 773. Thus, with the exception of the information subject to section 773.091(g), the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code.
