Dear Ms. Reyes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 641221.

The Milam County Sheriff's Office (the "sheriff's office") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the sheriff's office. *See id.* §§ 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. You do not indicate the sheriff's office has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, the submitted information is confidential pursuant to section 261.201 of the Family Code.

We note the requestor is a representative of the United States Consumer Product Safety Commission (the "commission"). Section 261.201 provides information encompassed by subsection (a) may only be released to certain persons and entities under limited circumstances. *See* Fam. Code § 261.201(a). The requestor has not demonstrated the commission falls within any category of persons or entities that are authorized to receive information made confidential by section 261.201(a). *See id.* § 261.201 (b)-(g) (listing entities authorized to receive information made confidential by section 261.201(a)); *cf.* Attorney General Opinion DM-353 at 4 n.6 (1995) (interagency transfer of information prohibited where confidentiality statute enumerates specific entities to which release of information is authorized, and where potential receiving governmental body is not among statute's enumerated entities). Therefore, the sheriff's office must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.³ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³As our ruling is dispositive, we need not address your argument against disclosure of the submitted information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
