Ms. Jessica Vu
Assistant General Counsel
Office of the Governor
P.O. Box 12428

OR2016-25514

Dear Ms. Vu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 634876 (OOG ID# 16-275).

The Office of the Governor (the "governor's office") received a request for all information regarding "Project Bullseye" for a specified time period, including information about its relationship with "Project 46." Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of the Galveston County Economic Alliance; Longview Economic Development Corporation; NBP Capital Partners; McAllen Economic Development Corporation; Midland Development Corporation; San Antonio Economic Development Foundation; and Wharton Economic Development Corporation. Accordingly, you state, and provide documentation showing, you notified these third parties of the request for information and of their rights to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code

§ 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the third parties explaining why the submitted information should not be released. Therefore, we have no basis to conclude any of the third parties has protected proprietary interests in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the governor's office may not withhold the submitted information on the basis of any proprietary interest the third parties may have in the information. As you raise no exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Ramsey A. Abarca
