Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 634926.

The Hamilton Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to an ongoing criminal investigation and prosecution. Based on your representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the department may generally withhold the submitted information under section 552.108(a)(1) of the Government Code.

We note, however, the requestor is an enforcement specialist with the Texas State Board of Pharmacy (the "board"). Section 411.122(a) of the Government Code provides,

an agency of this state listed in Subsection (d) . . . that licenses or regulates members of a particular trade, occupation, business, vocation, or profession is entitled to obtain from the [Department of Public Safety] criminal history record information [{"CHRI"}] maintained by the [Department of Public Safety] that relates to a person who: (1) is an applicant for a license from the agency; (2) is the holder of a license from the agency; or (3) requests a determination of eligibility for a license from the agency.

Gov't Code § 411.122(a). We note the board is specifically subject to section 411.122 of the Government Code. See *id.* § 411.122(d)(14). In addition, section 411.087(a) of the Government Code provides, in pertinent part:

(a) A person, agency, department, political subdivision, or other entity that is authorized by this subchapter or Subchapter E-1 to obtain from the [Department of Public Safety CHRI] maintained by the [Department of Public Safety] that relates to another person is authorized to:

. . .

(2) obtain from any other criminal justice agency in this state [CHRI] maintained by that criminal justice agency that relates to that person.

Id. § 411.087(a)(2). CHRI is defined as "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." See *id.* § 411.082(2). Thus, under sections 411.122 and 411.087, the requestor may have a right of access to any CHRI about the named individual contained in the department's records. The submitted information contains CHRI about this individual.

The requestor states the named individual is a holder of a license from the board. Accordingly, the requestor is authorized to obtain the CHRI in the submitted report from the department pursuant to section 411.087(a)(2) of the Government Code. See *id.* §§ 411.087(a)(2), .122(a). Although you seek to withhold this information under section 552.108 of the Government Code, a specific statutory right of access prevails over

the general exceptions to disclosure found in the Act, such as section 552.108. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Thus, the department must make available to the requestor CHRI under section 411.087 of the Government Code. With the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
