ATTORNEY GENERAL OF TEXAS

November 22, 2016

Mr. Andrew Heston
Assistant District Attorney
Brazoria County
111 East Locust, Suite 408A
Angleton, Texas 77515

OR2016-25977

Dear Mr. Heston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635228.

Brazoria County (the "county") received two requests for information pertaining to a specified request for proposals. You claim the submitted information is excepted from disclosure under sections 552.104 and 552.110 of the Government Code. You also state you notified AT&T, Brazoria Telephone, Century Link, Comcast, DataVox, Intech Southwest Services, and New Wave of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered your arguments and reviewed the submitted information.

You contend portions of the submitted information are excepted from disclosure under section 552.110 of the Government Code. Section 552.110 protects (1) trade secrets obtained from a person and (2) commercial or financial information the disclosure of which would cause substantial competitive harm to the person from whom the information was obtained. *See* Gov't Code § 552.110(a)-(b). We note section 552.110 protects the interests of private parties that provide information to governmental bodies, not the interests of governmental bodies themselves. *See generally* Open Records Decision No. 592 (1991). Accordingly, we do not consider the county's arguments under section 552.110.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from any of the third parties. Thus, we have no basis to conclude the third parties have a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold any of the submitted information on the basis of any proprietary interest the third parties may have in the information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You state release of the submitted Evaluation Matrix would give a distinct advantage to future bidders, as they would be able to structure their bids around the county's previous evaluations. After review of the information at issue and consideration of the arguments, we find the county has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the county may withhold the information we have indicated under section 552.104(a) of the Government Code. You also argue release of the remaining information would harm the participating entities by giving an advantage to their competitors. However, such an interest in protecting the information belongs to the participating entities and not the county. Therefore, we find the county may not withhold any of the remaining information under section 552.104(a) of the Government Code.

Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential."¹ Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. Accordingly, the county must withhold the insurance policy numbers in the remaining information under section 552.136 of the Government Code.

We note some of the remaining information appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; see Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the county may withhold the information we have indicated under section 552.104(a) of the Government Code. The county must withhold the insurance policy numbers in the remaining information under section 552.136 of the Government Code. The county must release the remaining information; however, any information subject to copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
