ATTORNEY GENERAL OF TEXAS

November 22, 2016

Ms. Charla Thomas  
Deputy City Attorney  
City of Temple  
2 North Main Street, Suite 308  
Temple, Texas 76501

OR2016-26041

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 641554.

The City of Temple (the "city") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note a portion of the submitted information consists of an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>1</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* 1701.661(b).

Section 552.101 of the Government Code exempts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007. Fam. Code § 58.007(c). The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

*Id.* For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The remaining information involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of Fam. Code § 58.007). Thus, this information is subject to section 58.007(c). In this

instance, it does not appear any of the exceptions to confidentiality under section 58.007 apply. Accordingly, the city must withhold the remaining information in its entirety under section 552.101 in conjunction with section 58.007(c) of the Family Code.<sup>2</sup>

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the city need not release it in response to this request for information. The city must withhold the remaining information in its entirety under section 552.101 in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
