OR2016-26193

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 642336.

The Mesquite Police Department (the "department") received a request for a specified report. You state the department is releasing some of the requested information, including the police officer's crash report pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). You state the department will redact certain personal financial information pursuant to Open Records Letter Nos. 2012-06459 (2012) and 2012-01375 (2012).¹ You also state the department will redact originating addresses and telephone numbers of 9-1-1 callers pursuant to Open Records Letter Nos. 2011-15761 (2011) and 2011-15075 (2011).²

¹Open Records Letter No. 2012-06459 authorizes the department to withhold the price of a motor vehicle in a call sheet under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting a decision under section 552.301 of the Government Code. Open Records Letter No. 2012-01375 authorizes the department to withhold motor vehicle lien information in a call sheet under section 552.101 in conjunction with common-law privacy without requesting a decision.

²Open Records Letter Nos. 2011-15761 and 2011-15075 authorize the department to withhold the originating addresses and telephone numbers, respectively, of 9-1-1 callers furnished to the department by a service supplier established in accordance with chapter 772 of the Health and Safety Code under section 552.101 of the Government Code in conjunction with section 772.118 of the Health and Safety Code without requesting a decision.

You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is excepted from required public disclosure under common-law privacy. *See, e.g.*, Open Records Decision No. 523 (1989) (common-law privacy protects credit reports, financial statements, and other personal financial information). Upon review, we agree the information you have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the department must withhold the information you marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, “Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the department must withhold the insurance policy number you have marked under section 552.136 of the Government Code.

In summary, the department must withhold the information you marked under section 552.101 of the Government Code in conjunction with common-law privacy, the motor vehicle record information you marked under section 552.130 of the Government Code, and the insurance policy number you marked under section 552.136 of the Government Code. The department must release the remaining information.
