

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

November 28, 2016

Mr. Stephen D. Gates  
First Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79702

OR2016-26200

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 642221 (Midland ID #M010338-110216).

The City of Midland (the "midland") received a request for information pertaining to a specified report number. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1).

Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation or prosecution. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. The city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

With the exception of basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
