Texas Department of Criminal Justice

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635460.

The Texas Department of Criminal Justice (the "department") received a request for information related to a specified investigation. You state the department will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.134 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.134 of the Government Code relates to inmates of the department and provides in relevant part as follows:

- (a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). You contend the submitted information falls within the scope of section 552.134. Upon review, we find the submitted information consists of information

about a non-death row inmate confined in a facility operated by the department for purposes of section 552.134. We also find the exceptions in section 552.029 are not applicable to this information. Thus, the department must withhold the submitted information under section 552.134 of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
