ATTORNEY GENERAL OF TEXAS

November 29, 2016

Mr. Miguel Salinas
Staff Attorney
Brownsville Independent School District
1900 Price Road
Brownsville, Texas 78521-2417

OR2016-26323

Dear Mr. Salinas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635874 (Brownsville ISD No. 8164).

The Brownsville Independent School District (the "district") received a request for information pertaining to a named former employee. You state you have released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 21.355 of the Education Code, which provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word

“teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See* ORD 643 at 4. Further, in Open Records Decision No. 643, we determined an “administrator” for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

The district claims the submitted information constitutes an evaluation of an employee that is confidential under section 21.355 of the Education Code. Upon review, we find the district has failed to demonstrate the submitted information constitutes an evaluation of the performance of a teacher or administrator for the purposes of section 21.355 of the Education Code. Therefore, the district may not withhold any submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a). We understand you to assert the privacy analysis under section 552.102(a) is the same as the common-law privacy test under section 552.101 of the Government Code. Section 552.101 of the Government Code encompasses common-law privacy, which protects information if it (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). In *Hubert v. Harte-Hanks Texas Newspapers, Inc.*, 652 S.W.2d 546, 549-51 (Tex. App.—Austin 1983, writ ref’d n.r.e.), the court of appeals ruled the privacy test under section 552.102(a) is the same as the *Industrial Foundation* privacy test. *See Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). However, the Texas Supreme Court has expressly disagreed with *Hubert’s* interpretation of section 552.102(a), and held the privacy standard under section 552.102(a) differs from the *Industrial Foundation* test under section 552.101. *See Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). The Supreme Court also considered the applicability of section 552.102(a) and held it excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *See id.* at 348. Upon review, we find no portion of the information at issue is subject to section 552.102(a) of the Government Code. Accordingly, the district may not withhold any of the submitted information on this basis. As no further exceptions against disclosure have been raised, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
