ATTORNEY GENERAL OF TEXAS

November 29, 2016

Ms. Michelle Buendia
Assistant City Attorney
Criminal Law and Police Section
City of Dallas
1400 South Lamar Street
Dallas, Texas 75215

OR2016-26337

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635569 (ORR# 2016-19656).

The Dallas Police Department (the "department") received a request for a specified offense report and any related video recordings and photographs. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note that you have submitted only a video recording in response to the request. To the extent the specified offense report existed on the date the city received this request, we assume you have released it. If you have not released any such records, you must do so. *See Gov't Code §§ 552.301(a), .302; see also Open Records Decision No. 664 (2000)* (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

¹We note the department did not comply with section 552.301 of the Government Code in requesting this decision. *See Gov't Code § 552.301(b)*. Nonetheless, because section 552.130 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video recording contains information subject to section 552.130. You state the department does not have the technological capability to redact the motor vehicle record information from the recording. Accordingly, the department must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
