Mr. Zachary Brown
Assistant General Counsel
Office of the General Counsel
Texas Department of Criminal Justice
P.O. Box 4004

OR2016-26351

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 639802.

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to (1) Texas State Primary Convictions for State Criminal Alien Assistance Program (SCAAP) Illegal Aliens and (2) the release of criminal illegal aliens pending their immigration hearings. The department states it does not have some of the requested information.¹ The department also states it has released some of the requested information, but claims the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.²

¹The Act does not require a governmental body to disclose information that did not exist when the request for information was received. *See generally Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. App.—San Antonio 1978, writ dismissed).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.134 of the Government Code relates to inmates of the department and provides the following:

Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). The department asserts the submitted documents consist of information about inmates confined in a facility operated by the department. Upon review, we agree the information is subject to section 552.134. The exceptions in section 552.029 are not applicable. Therefore, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

James L. Coggeshall
