Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966

OR2016-26445

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635705 (COSA File No. W137594).

The City of San Antonio (the "city") received a request for (1) the number of polygraph tests administered to applicants by the city's police department; (2) the number of individuals who passed, failed, or returned inconclusive results on the polygraph test; and (3) the city's policies regarding polygraph tests. You state the city will release information responsive to the first and third categories of the request. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 1703.306 of the Occupations Code, which provides the following:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

(c) A polygraph examiner to whom information acquired from a polygraph examination is disclosed under Subsection (a)(4) may not disclose the information except as provided by this section.

Occ. Code § 1703.306. The information we have marked consists of polygraph information that is confidential under section 1703.306, and the requestor does not appear to have a right of access to the information under that section. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code.² As no other exceptions to disclosure have been raised, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

²As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.
