Dear Ms. Langlois:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635889.

The Harris County Department of Education (the "department"), which you represent, received a request for specified employee evaluations for named individuals. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined an "administrator" for purposes of section 21.355 means a person who is required to, and does

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

in fact, hold an administrator's certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.* at 4. The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You contend the submitted information consists of confidential evaluations of the named administrators by the department. You inform us, and provide documentation showing, the named administrators were certified as administrators by the State Board of Educator Certification and were acting as administrators at the time the evaluations were prepared. Based on your representations, and our review, we find the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
