

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 30, 2016

Ms. Erin D. Thorn
Assistant District Attorney
County of Hidalgo
100 East Cano Street
Edinburg, Texas 78539

OR2016-26521

Dear Ms Thorn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 635887 (File No. 2016-0113-DA.SO).

The Hidalgo County Sheriff's Office (the "sheriff's office") received a request for four categories of information pertaining to a named officer, including the personnel file of the named officer. You state you have no information responsive to a portion of the request.¹ You state you will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

²We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, you note, and we agree, the submitted information contains a peace officer's TCOLE identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 of the Government Code encompasses information protected by section 411.083 of the Government Code, which pertains to criminal history record information ("CHRI"). CHRI generated by the National Crime Information Center ("NCIC") or by the Texas Crime Information Center is confidential under federal and state law. CHRI means "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC

network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990); *see generally* Gov't Code ch. 411 subch. F. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1, of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411. Upon review, we find the information we have marked consists of CHRI which the sheriff's office must withhold under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law.³

Section 552.101 of the Government Code also encompasses information protected by section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the commission under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

(a) All information submitted to the commission under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a commission member or other person may not release information submitted under this subchapter.

Id. § 1701.454. You assert the remaining information is subject to section 1701.454. We understand the officer whose information is at issue did not resign or was not terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

In summary, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law. The sheriff's office must withhold the information we

³As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

have marked under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
