

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 1, 2016

Mr. T. Daniel Santee
Counsel for the City of Jourdanton
Denton Navarro Rocha Bernal Hyde & Zech, P.C.
2517 North Main Avenue
San Antonio, Texas 78212-4685

OR2016-26618

Dear Mr. Santee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 636166.

The City of Jourdanton (the "city"), which you represent, received a request for certain information pertaining to multiple employees of the city's police department.¹ You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.115 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes officers' Texas Commission on Law Enforcement ("TCOLE") identification numbers. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:

¹You state the city received clarification of the request for information. *See* Gov't Code § 552.222(b) (stating governmental body may communicate with requestor for purpose of clarifying or narrowing request for information). You inform us the city sent the requestor an estimate of charges pursuant to section 552.2615 of the Government Code. *See id.* § 552.2615.

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification numbers are unique computer-generated numbers assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officers' TCOLE numbers do not constitute public information under section 552.002 of the Government Code. Therefore, the officers' TCOLE numbers are not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code exempts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 of the Government Code encompasses information made confidential by other statutes, such as section 1701.306 of the Occupations Code. Section 1701.306 makes confidential L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by TCOLE. Former section 1701.306 provides, in part:

(a) [TCOLE] may not issue a license to a person as an officer or county jailer unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a physical examination, blood test, or other medical test.

(b) An agency hiring a person for whom a license as an officer or county jailer is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each

declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Act of May 17, 1999, 76th Leg., R.S., ch. 388, § 1, 1999 Tex. Gen. Laws 1431, 2219 (current version at Occ. Code §§ 1701.306(a), (b)). Some of the submitted L-2 and L-3 forms were created prior to September 1, 2011. Although section 1701.306 of the Occupations Code was amended in 2011 by the 82nd Legislature, L-2 and L-3 declaration forms created prior to September 1, 2011 are subject to the former version of section 1701.306, which was continued in effect for that purpose. *See* Act of May 30, 2011, 82nd Leg., R.S., ch. 1224, § 7. Therefore, the city must withhold the submitted L-2 and L-3 declaration forms created prior to September 1, 2011, which we have marked, under section 552.101 of the Government Code in conjunction with former section 1701.306 of the Occupations Code.²

Section 552.101 of the Government Code also encompasses the current version of section 1701.306 of the Occupations Code, which provides, in relevant part:

(a) [TCOLE] may not issue a license to a person unless the person is examined by:

- (1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and
- (2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Occ. Code § 1701.306(a), (b). Some of the submitted L-2 and L-3 declaration forms were created after September 1, 2011. The city must withhold the remaining L-2 and L-3 declarations form you have marked under section 552.101 of the Government Code in conjunction with current section 1701.306 of the Occupations Code.

²As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

Section 552.101 of the Government Code also encompasses section 1324a of title 8 of the United States Code. Section 1324a governs I-9 forms and their related documents. This section provides an I-9 form and “any information contained in or appended to such form, may not be used for purposes other than for enforcement of this chapter” and for enforcement of other federal statutes governing crime and criminal investigations. *See* 8 U.S.C. § 1324a(b)(5); *see also* 8 C.F.R. § 274a.2(b)(4). Release of the submitted I-9 forms in this instance would be “for purposes other than enforcement” of the referenced federal statutes. Therefore, we conclude the submitted I-9 forms and attachments are confidential pursuant to section 1324a of title 8 of the United States Code. Accordingly, the city must withhold the I-9 forms and attachments you have marked under section 552.101 of the Government Code in conjunction with section 1324a of title 8 of the United States Code.

Section 552.101 of the Government Code also encompasses section 6103(a) of title 26 of the United States Code, which provides that tax return information is confidential. *See* 26 U.S.C. § 6103(a)(2), (b)(2)(A), (p)(8); *see also* Attorney General Op. MW-372 (1981). The submitted information contains W-4 tax forms. Employee W-4 tax forms are excepted from disclosure by section 6103(a). Open Records Decision No. 600 (1992). Accordingly, the city must withhold the submitted W-4 tax forms you have marked under section 552.101 of the Government Code in conjunction with section 6103(a) of title 26 of the United States Code.

Section 552.101 of the Government Code also encompasses information protected by section 560.003 of the Government Code. Section 560.003 provides that “[a] biometric identifier in the possession of a governmental body is exempt from disclosure under [the Act].” Gov’t Code § 560.003; *see also id.* §§ 560.001(1) (defining “biometric identifier” to include fingerprints), .002(1)(A) (governmental body may not sell, lease, or otherwise disclose individual’s biometric identifier to another person unless individual consents to disclosure). Therefore, the city must withhold the fingerprints we have marked under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code. However, upon review, we find you have failed to demonstrate the remaining information at issue is confidential under section 560.003 of the Government Code, and the city may not withhold this information on that basis under section 552.101 of the Government Code.

Section 552.101 of the Government Code also encompasses chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F or subchapter E-1, of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice

purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411. We note driving record information is not made confidential by the confidentiality provisions that govern CHRI. *See id.* § 411.082(2)(B) (definition of CHRI does not include driving record information). In addition, section 411.083 does not apply to active warrant information or other information relating to one's current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person's current involvement in the criminal justice system). Upon review, we find the information we have marked consists of CHRI the city must withhold under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.³

Section 552.101 of the Government Code also encompasses information made confidential by the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See Occ. Code* §§ 151.001-168.202. Section 159.002 of the MPA provides, in relevant part, the following:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See Open Records Decision Nos.* 487 at 3-4 (1988), 370 at 2 (1983), 343 at 1 (1982). Upon review, we find the information we have marked is confidential under the MPA. Accordingly, the city must

³As our ruling is dispositive, we need not address your argument against disclosure of this information.

withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA.⁴

Section 552.101 of the Government Code also encompasses section 730.004 of the Transportation Code, which provides, “[n]otwithstanding any other provision of law to the contrary, including chapter 552, Government Code, except as provided by sections 730.005-730.007, an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record.” Transp. Code § 730.004. Section 730.004 applies only to an “agency” that compiles or maintains motor vehicle records. *See id.* § 730.003(1). Upon review, we find you have not established the city compiles or maintains motor vehicle records for purposes of chapter 730; therefore, section 730.004 does not apply to the city, and the city may not withhold the information at issue on this basis.

Section 552.102(a) excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy[.]”⁵ Gov’t Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Within the remaining information, the city must withhold all dates of birth pertaining to the city’s employees under section 552.102(a) of the Government Code.

Section 552.101 of the Government Code also encompasses common-law privacy, which protects information that (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987).

We understand you to assert the information at issue is confidential under common-law privacy on the basis of Open Records Decision No. 594 (1991), in which this office concluded public employees may have a privacy interest in their drug test results. *See* ORDs 594 (suggesting identification of individual as having tested positive for use of illegal drug may raise privacy issues), 455 at 5 (citing *Shoemaker v. Handel*, 619 F. Supp. 1089 (D.N.J. 1985), *aff’d*, 795 F.2d. 1136 (3rd Cir. 1986)). However, as this office

⁴As our ruling is dispositive, we do not address your argument to withhold this information.

⁵The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

has explained on many occasions, information involving public officials and employees and public employment is generally not private because the public has a legitimate interest in such information. See Open Records Decision Nos. 562 at 10 (1990) (personnel information does not involve most intimate aspects of human affairs, but in fact touches on matters of legitimate public concern), 473 at 3 (1987) (fact that public employee received less than perfect or even very bad evaluation not private), 470 at 4 (1987) (job performance does not generally constitute public employee's private affairs), 444 at 5 (1986) (public has legitimate interest in knowing reasons for public employee's dismissal, demotion, or promotion), 405 at 2 (1983) (manner in which public employee's job was performed cannot be said to be of minimal public interest), 329 (1982) (reasons for employee's resignation ordinarily not private). Although the information at issue may be highly intimate or embarrassing, the public has a legitimate interest in the information. Thus, the city may not withhold this information under section 552.101 of the Government Code in conjunction with common-law privacy. However, upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.115 of the Government Code excepts from disclosure "[a] birth or death record maintained by the vital statistics unit of the Department of State Health Services or a local registration official[.]" Gov't Code § 552.115. Section 552.115 is applicable only to information maintained by the vital statistics unit or local registration official. See Open Records Decision No. 338 (1982). The submitted birth certificate is maintained by the city, and not by a vital statistics unit or local registration official. Therefore, the city may not withhold it under section 552.115 of the Government Code.

Section 552.117(a)(2) of the Government Code applies to records a governmental body holds in an employment capacity and excepts from public disclosure the current and former home addresses and telephone numbers, emergency contact information, social security number, and family member information of a peace officer, regardless of whether the peace officer made an election under section 552.024 or section 552.1175 of the Government Code to keep such information confidential. Gov't Code § 552.117(a)(2). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of Criminal Procedure. Accordingly, if the individuals whose information is at issue are currently licensed peace officers, the city must withhold the information we have marked under section 552.117(a)(2) of the Government Code.

If the individuals at issue are no longer licensed peace officers, then the marked information may be protected by section 552.117(a)(1) of the Government Code. Section 552.117(a)(1) applies to records a governmental body holds in an employment capacity and excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body who request that this information be kept confidential under section 552.024 of the Government Code. *Id.* § 552.117(a)(1). Whether a particular piece of information is protected by section 552.117(a)(1) must be determined at the time the

request for it is made. *See* Open Records Decision No. 530 at 5 (1989). Therefore, a governmental body must withhold information under section 552.117 on behalf of a current or former official or employee only if the individual made a request for confidentiality under section 552.024 prior to the date on which the request for this information was made. Accordingly, if the individuals at issue are no longer licensed peace officers, and if the individuals whose information is at issue timely requested confidentiality pursuant to section 552.024 of the Government Code, the city must withhold the information we have marked under section 552.117(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130.

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body," unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *Id.* § 552.137(a)-(c). The e-mail addresses we have marked are not of the types specifically excluded by section 552.137(c). *See id.* § 552.137(c). Accordingly, the city must withhold the e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners of the addresses affirmatively consent to their release.

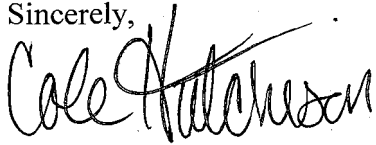

In summary, the officers' TCOLE numbers are not subject to the Act and need not be released to the requestor. The city must withhold the submitted L-2 and L-3 declaration forms created prior to September 1, 2011, which we have marked, under section 552.101 of the Government Code in conjunction with former section 1701.306 of the Occupations Code. The city must withhold the remaining L-2 and L-3 declarations forms you have marked under section 552.101 of the Government Code in conjunction with current section 1701.306 of the Occupations Code. The city must withhold the I-9 forms and attachments you have marked under section 552.101 of the Government Code in conjunction with section 1324a of title 8 of the United States Code. The city must withhold the submitted W-4 tax forms you have marked under section 552.101 of the Government Code in conjunction with section 6103(a) of title 26 of the United States Code. The city must withhold the fingerprints we have marked under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA. The city must withhold all dates of birth pertaining to the city's employees under section 552.102(a) of the Government Code. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. If the individuals whose information is at issue are currently licensed peace officers, the city must withhold the information we have marked under section 552.117(a)(2) of the Government

Code. If the individuals at issue are no longer licensed peace officers, and if the individuals whose information is at issue timely requested confidentiality pursuant to section 552.024 of the Government Code, the city must withhold the information we have marked under section 552.117(a)(1) of the Government Code. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must withhold the e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners of the addresses affirmatively consent to their release. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
