Mr. Eric K. Miller

Office of the General Counsel
Texas Department of Criminal Justice

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 637542.

The Texas Department of Criminal Justice (the "department") received a request for certain information pertaining to a named inmate. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134(a) of the Government Code relates to inmates of the department and provides in, relevant part, the following:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Upon review of the submitted documents, we agree they pertain to an individual confined as an inmate in a facility operated by the department. Although section 552.023 of the Government Code gives a person or a person's authorized

representative a “special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person’s privacy interests,” we note section 552.134 does not protect only the inmate’s privacy interest. *See id.* § 552.023. Therefore, section 552.023 does not provide the requestor a special right of access to the submitted information in this instance. Accordingly, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Britni Ramirez
