Dear Ms. McClellan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 644103 (ORR No. 2016-25161).

The Dallas Police Department (the "department") received a request for video footage of a specified intersection pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the submitted video recordings contain information subject to section 552.130. You state the department does not have the technological capability to redact the motor vehicle record

¹We note, and you acknowledge, the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). Nonetheless, because section 552.130 of the Government Code makes information confidential and thus can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

information from the video recordings at issue. Accordingly, the department must withhold the submitted video recordings in their entireties under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
