

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 12, 2016

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2016-27405

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 644927 (Ref. No. W145683-110916).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the responsive information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of “information that is also contained in a public court record,” unless it is “made confidential under [the Act] or other law[.]” Gov’t Code § 552.022(a)(17). We have marked the documents that are subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, this section is a discretionary exception and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). As such section 552.108 does not make information confidential for the purposes of section 552.022. Accordingly, the court-filed documents may not be withheld under section 552.108. However, because section 552.130 of the Government Code makes information confidential for purposes of section 552.022, we will address the applicability of this section to this information.² Further, we will address the city’s argument against disclosure of the remaining information.

Next, we note a portion of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Next, we address your argument against the information not subject to section 552.022. Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an open criminal investigation. We note, however, the information at issue includes a DIC-24 Statutory Warning and DIC-25 Notice of Suspension. The city provided a copy of these forms to the arrestee. You have not explained releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108(a)(1). However, based on your representation, we find release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information at issue.

However, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information and the DIC-24 and DIC-25 forms, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note portions of the DIC-24 and DIC-25 forms are subject to sections 552.101 and 552.130 of the Government Code. Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. In considering whether a public citizen’s date of birth is private, the Third Court of Appeals looked to the supreme court’s rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees’ dates of birth are private under section 552.102 of the Government Code because the employees’ privacy interest substantially outweighed the negligible public interest in disclosure.³ *Texas Comptroller*, 354 S.W.3d at 347-48. Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens’ dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at *3. Thus, the city must withhold the public citizen’s date of birth we have marked in the DIC-24 and DIC-25 forms under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130(a). Accordingly, the city must withhold the motor vehicle record information we have marked in the court-filed documents and the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and it need not be released. The city must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. The city must release the court-filed documents we have marked pursuant to section 552.022(a)(17) of the Government Code. With the exception of the DIC-24 and DIC-25 forms and basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the court-filed documents and the DIC-24 and DIC-25 forms, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy in the DIC-24 and DIC-25 forms and section 552.130 of the Government Code.

³Section 552.102(a) excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
