ATTORNEY GENERAL OF TEXAS

December 14, 2016

Mr. Eric K. Miller  
Assistant General Counsel  
Office of the General Counsel, TDCJ  
P.O. Box 4004

OR2016-27637

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 637754.

The Texas Department of Criminal Justice (the "department") received a request for the addresses, department identification numbers, and state identification numbers of current adult offenders in the department's system. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.134(a) relates to inmates of the department and provides the following:

Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.134 is explicitly made subject to section 552.029, which provides in relevant part the following:

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

(1) the inmate's name, identification number, age, birthplace, physical description, or general state of health or the nature of an injury to or critical illness suffered by the inmate;

*Id.* § 552.029(1). Thus, the legislature explicitly made section 552.134 subject to section 552.029. The department contends the submitted information falls within the scope of section 552.134. We agree the submitted information pertains to inmates confined in facilities operated by the department and is subject to section 552.134 of the Government Code. However, we note some of the submitted information consists of the inmates' department identification numbers subject to section 552.029(1). The department must release this information pursuant to section 552.029. *See id.* The department must withhold the remaining information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Kavid Singh
