Ms. Kristie L. Lewis  
Staff Attorney  
City of Houston

Houston, Texas 77002-6000

OR2016-27752

Dear Ms. Lewis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 637974 (ORU No. 16-7693).

The Houston Police Department (the "department") received a request for information pertaining to the investigation and firing of a named former employee of the department. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 143.1214 of the Local Government Code, which provides, in part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for

the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to a disciplinary action against a fire fighter or police officer to the [civil service] director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) [of the Local Government Code] only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c). You state the City of Houston is a civil service city under Chapter 143 of the Local Government Code. You state the submitted information consists of investigations completed by the department's internal affairs division. You further state the investigation files contain allegations of misconduct against police officers. You inform us the allegations of misconduct for the investigation in Exhibit 2 were classified as sustained, and the allegations for the investigation in Exhibit 3 were classified as disproven. You further state, in both investigations, no disciplinary action was taken. You state the investigation files are maintained in a file created by the department and are not held in the officers' civil service file. You also represent this information does not meet the conditions specified by section 143.1214(c) for inclusion in a police officer's civil service file. *See id.* § 143.1214(c); *see also id.* § 143.089(a)-(f). Based on these representations and our review, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code.
