

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 16, 2016

Mr. David T. Ritter
Counsel for the City of McKinney
Brown & Hofmeister, L.L.P.
740 East Campbell Road, Suite 800
Richardson, Texas 75081

OR2016-27881

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 645260 (ORR# P2165).

The City of McKinney (the "city"), which you represent, received a request for (1) all records maintained by the city's municipal court (the "court") related to cause number 16E01320801 and (2) information pertaining to the individual handling the instant request for information. You state the city did not maintain information responsive to the second portion of the request at the time the request was made.¹ You claim the information responsive to the first portion of the request does not consist of public information subject to the Act. We have considered the submitted arguments and reviewed the submitted representative sample of information.²

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

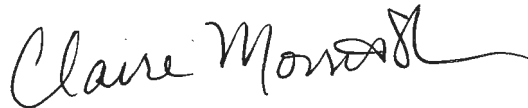

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

The Act is applicable to information “collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business by a governmental body.” Gov’t Code § 552.002(a)(1). However, the Act’s definition of “governmental body” “does not include the judiciary.” *Id.* § 552.003(1)(B). Information “collected, assembled, or maintained by or for the judiciary” is not subject to the Act but is instead “governed by rules adopted by the Supreme Court of Texas or by other applicable laws and rules.” *Id.* § 552.0035(a); *cf.* Open Records Decision No. 131 (1976) (applying statutory predecessor to judiciary exclusion under Gov’t Code § 552.003(1)(B) prior to enactment of Gov’t Code § 552.0035). Therefore, the Act neither authorizes information held by the judiciary to be withheld, nor does it require such information be disclosed. *See* Open Records Decision No. 25 (1974). The first portion of the instant request seeks information maintained by the court. Accordingly, we conclude the requested information is not subject to the Act and the city need not release it in response to this request for information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
