

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 19, 2016

Mr. Thomas Gilliland
Public Information Officer
Harris County Sheriff's Office
1200 Baker Street
Houston, Texas 77002

OR2016-28029

Dear Mr. Gilliland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 639353 (HCSO File# 14SO6001283).

The Harris County Sheriff's Office (the "sheriff's office") received a request for: (1) information pertaining to deputies working at a specified address, (2) information pertaining to a named individual, (3) the policy for deputies working at specified businesses, and (4) the personnel record of a named deputy. You state the sheriff's office does not have information responsive to items 2 and 3 of the request.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number.³ Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection,

³The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. See Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Exparte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Exhibit B consists of personnel file records pertaining to the named deputy. Section 552.108 is generally not applicable to purely administrative records that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). You state, and provide documentation showing, Exhibit B pertains to a pending criminal prosecution. Furthermore, you have provided documentation showing the officer whose personnel records are at issue was an investigator in the incident that forms the basis of the pending prosecution. Based on these representations and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, we find section 552.108(a)(1) of the Government Code is applicable to Exhibit B and the sheriff’s office may withhold Exhibit B on that basis.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A); Open Records Decision No. 434 (1986). You state Exhibits B-1, B-2, B-3, and B-4 relate to closed criminal investigations that did not result in convictions or deferred adjudications. Based on this representation and upon our review, we find section 552.108(a)(2) of the Government Code is applicable to the information in Exhibits B-1, B-2, B-3, and B-4.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the sheriff’s office may withhold Exhibits B-1, B-2, B-3, and B-4 under section 552.108(a)(2) of the Government Code.

In summary, the submitted TCOLE identification number is not subject to the Act and need not be released to the requestor. The sheriff’s office may withhold Exhibit B under section 552.108(a)(1) of the Government Code. Except for basic information, which must

be released, the sheriff's office may withhold Exhibits B-1, B-2, B-3, and B-4 under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
