Ms. Susan Estringel
Legal Assistant
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2016-28034

Dear Ms. Estringel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 642858 (PIR# 16-6772).

The Texas Department of Public Safety (the "department") received a request for information pertaining to a specified accident. The department states it has made an accident report available to the requestor. *See* Transp. Code § 550.065(c), (c-1). The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. This section encompasses section 261.201(a) of the Family Code, which provides as follows:

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 at 2 (1987), 480 at 5 (1987).

code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation under chapter 261. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1) (defining “abuse” for purposes of section 261.201). Thus, the information is within the scope of section 261.201 of the Family Code. The department does not indicate it has adopted a rule that governs the release of this type of information. Therefore, we assume no such rule exists. Given that assumption, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.³ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

James L. Coggeshall
Assistant Attorney General
Open Records Division

JLC/bw

³As our ruling is dispositive, we do not address the department’s argument to withhold this information.
