

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 27, 2016

Ms. Sarah Stallberg
Assistant County Attorney
County of Montgomery
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2016-28396

Dear Ms. Stallberg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 639485 (ORR File 16PIA547).

The Montgomery County Commissioner's Office (the "commissioner's office") received a request for three categories of information related to the Montgomery County Animal Shelter. You state you do not have information responsive to two categories of the request.¹ You claim the submitted information is excepted from disclosure under sections 552.101, 552.107, 552.108, and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.² We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note some of the submitted information, which we have marked, is not responsive to the instant request because it was created after the date the request was received. This ruling does not address the public availability of any information that is not responsive to the request and the commissioner's office is not required to release such information in response to this request.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You inform us, and have provided affidavits stating, the Montgomery County Sheriff's Office (the “sheriff's office”) objects to disclosure of the submitted information because its release would interfere with two ongoing criminal investigations. Based on your representation and the submitted affidavits, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, we find that the commissioner's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the sheriff's office.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

³As our ruling is dispositive, we need not address the commissioner's office's remaining arguments against disclosure.
