

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 29, 2016

Ms. Julie Allen
Texas Alcoholic Beverage Commission
P.O. Box 13127
Austin, Texas 78711-3127

OR2016-28608

Dear Ms. Allen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 639934 (TABC ID# 1472567238).

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to a specified application sent to the commission.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

¹You state the commission sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed). We note the commission did not seek clarification until after the ten-business-day deadline, and thus, failed to comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b). Nonetheless, because the exception you claim can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

Code § 552.101. This section encompasses section 5.48 of the Alcoholic Beverage Code, which provides as follows:

(a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.

(b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an investigation or otherwise, are privileged unless introduced in evidence in a hearing before the commission or before a court in this state or the United States.

Alco. Bev. Code § 5.48. This office has construed the term "privileged" in this statute to mean "confidential" for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974). Thus, section 5.48 makes confidential any records required or obtained by the commission, with the exception of "the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license" and "a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee." Alco. Bev. Code § 5.48.

The commission states the submitted information consists of application records for commission licenses or permits. The commission also informs us the submitted information has not been introduced in evidence in a hearing before the commission or before a court. Upon review, we find the submitted information is confidential under section 5.48 of the Alcoholic Beverage Code. Accordingly, with the exception of the name, proposed location, and type of permit sought in the relevant application, which must be released, the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
