Dear Mr. Coleman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 646615.

The Hamlin Independent School District (the "district"), which you represent, received a request for a list of all full time employees, including their full name, title or job position, primary location, e-mail address, date of birth, date of hire, and salary. You state the district has released some information. You claim a portion of the submitted information is excepted from disclosure under section 552.102 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.102(a) of the Government Code excepts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Gov't Code § 552.102(a). The Texas Supreme Court has considered the applicability of section 552.102, and has held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336, 348 (Tex. 2010). Upon review, we find the district must withhold the dates of birth you have marked under section 552.102(a) of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
