

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 4, 2017

Ms. Kayla Landeros
City Attorney
City of Temple
2 North Main Street, Suite 308
Temple, Texas 76501

OR2017-00136

Dear Ms. Landeros:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 646981.

The City of Temple (the "city") received a request for information related to a specified incident report. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes a city police officer's body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a) for the submitted body worn camera recordings at issue. As the requestor did not properly request these body worn camera recordings pursuant to chapter 1701, our ruling does not reach this information and it need not be released to the requestor. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code. Section 58.007 makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of Fam. Code § 58.007). It does not appear that any of the exceptions to confidentiality under section 58.007 apply to the submitted information. Accordingly, the

city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.¹

In summary, as the requestor did not properly request the body worn camera recordings pursuant to chapter 1701, our ruling does not reach this information and it need not be released to the requestor. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
